RE: Letter of reference/recommendation.

Dear Mr. Campbell,

We are writing this letter to you and your company to express our appreciation that the way Hunter Davisson conducts business.

Over the last few years we have worked together on numerous projects that have been completed in a very professional manner by your project managers and not forgetting your employees on the jobsite who are always willing to work together with everyone involved with the project to ensure that all project goals are achieved.

I would also like to express my thoughts on the way that Hunter Davisson approaches safety on projects. As we are all aware everyone being safe is of utmost importance and your employees have continually proved that safety and customer satisfaction is number one.

I will continually recommend Hunter Davisson in the future to anyone involved in the construction industry.

Sincerely,

Alex Clark Vice President
